

Why We Raise Money...

Rochester Area Habitat for Humanity depends upon cash donations to cover building costs. Inflation and increases in building materials mean that events like Tour de Habitat are critical to raise funds for building houses.

Our 2010 goal for Tour de Habitat is \$27,000.

Every sponsor, every rider and every donation helps to build a stronger community of homeowners. Your donation builds homes and helps families to break the cycle of poverty.

What is the Tour de Habitat?

- A fundraiser where teams and individuals compete against each other to raise money for Rochester Area Habitat for Humanity.
- We have two sessions for different kinds of cyclists: team and individual.
- For the team session, teams of six cyclists each ride a stationary bike for 15 minute intervals.
- For the individual session, individuals challenge themselves to bike for up to 3 hours.
- All proceeds go towards building our 60th home in the Rochester area.

T-shirts will be given to all participants. Prizes will be awarded for the most money raised, and much more!

Team and Individual Checklist

1. Form a team of six cyclists or sign up as an individual.
2. Designate a team captain or individual to serve as a contact with Tour de Habitat officials.
3. Send in registration slip or register online at www.firstgiving.com/RAHH
An information packet will then be sent to the team captain or individual.
4. Raise money:
Team Goal — \$1200 for the team (\$200 minimum per cyclist)
Individual Goal — \$300 minimum per cyclist (\$100 per hour to ride)
5. Create your own fundraising page www.firstgiving.com/RAHH
